

Suspenders History

Owners Rick and Sandy Sword started building Suspenders in spring 1998. The store was opened Oct 25 1998 and Has become a thriving business. Starting with only a convenience store, selling grocery, fast food and convenience supplies. Suspenders quickly added on a Gas Station that currently supplies Diesel, Marked Diesel, Gas, Marine Gas and Propane... only to add another addition, a self service car wash, then finally a licensed BC Liquor Store.
